

Durrington High School

Provider Access Policy 2021-2022

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 7 - 11 are entitled:

- to learn about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point in their journey of education
- to engage with, and hear from (through option events, assemblies and group discussions, taster events and personalised meetings) a wide range of local providers about the opportunities they offer at post 16 level
- to understand the application process and be supported in making applications for their own chosen post 16 education route. This will include academic and technical pathways and apprenticeship opportunities.

Management of provider access requests

Procedure

Any provider wishing to request access to meet, work and/or share information with our students as part of our ongoing careers provision should contact Mr T Henry Careers Leader - thenry@durring.com / 01903 705605

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak or present virtually to pupils or their parents or carers:

For 2021-2022 all students will have access to the following (Covid permitting)

	Autumn Term	Spring Term	Summer Term
Year 7	Introduction to careers and jobs assembly	National Careers Week - Lunchtime stands and talks	Raising aspirations university visits
Year 8	Introduction to careers and jobs assembly	National Careers Week - Lunchtime stands and talks
