

# DHS FORTNIGHTLY UPDATE

31 March 2023 edition

## MAIN ARTICLE TITLE HERE

Sub heading-intro

We would like to say a huge thank you for all your support this term. Whether that be attending a parents' evening, supporting our brilliant musical, helping your child with their homework, making sure that Y11 students attend tutorials or encouraging them to come to school, even when they feel a little under the weather. All of these things mean a huge amount to us and really support your child's learning and confidence.

We hope you manage to find some time over the next two weeks to relax and recharge with friends and family.

As always, we look forward to welcoming students back to the summer term on the 17th April.

*Shaun Allison & Chris Woodcock*

### Dare to Dream

We would like to say a huge thank you for all your support this term.
